

## CONTRIBUTE TO THE MILLENNIUM FILM WORKSHOP

You can contribute to the development and preservation of a truly independent, personal cinema with a donation to the Millennium Film Workshop. The Millennium, an internationally renowned media art center, is involved in the production, exhibition and study of film, video and new media. The rates for our services and programs are kept at the lowest possible level so that as many people as possible can be served. We are hoping that some of the many friends we have made during the last forty years of operation will be able to make a tax-deductible contribution. We offer a number of benefits in return for your donation. Thank you.
